Vol.2

DÉJÀ VU ON THE GREEN....

History repeated itself as Bernard claimed the Murray Johnson Cup, defeating Simon in a final that was an uncanny replay of last weeks nail-biter... Congratulations both !

Competition Draw

Attention all members — the competition sheets are now on the board, and they won't sign themselves (we've tried). Glory, bragging rights, and a place in club history await those brave enough to put their name down. For the financially motivated, the Manser competition comes with a seriously tempting cash prize for a £5 entry fee. Think of it less as a fee and more as a very confident investment in yourself...

President Judith Heaton has donated the game Cornhole to the club. A great way to warm up your aim before matches, stashed in the clubhouse..
